Dear Counsellor:

I have just received your letter of June 4th with the insurance Certificate from James and Katie Shaw enclosed. Please accept my sincere thanks for taking care of this.

I do hope we will have the pleasure of meeting sometime soon.

I know you will be interested to know we made a little money with the base ball last year and are out in front a little ways this year, but of course we are expecting anything to happen any day.

I hope you are enjoying good health and things are going along nicely with you.

Again please accept my sincere thanks. With kindest personal regards.

Very truly yours,
